Spark Driver - Complete Account Opening Guide

Walmart Delivery Service

Spark Driver is Walmart's delivery platform that allows you to earn money by delivering groceries and other items from Walmart stores to customers' homes. This comprehensive guide will walk you through every step of the registration process.

Requirements Before You Start

- Be at least 18 years old
- Have a valid driver's license
- Have a smartphone (iPhone or Android)
- Have a reliable vehicle (car, van, or truck)
- Have valid auto insurance
- Pass a background check
- Have a Social Security Number

Step 1: Download the Spark Driver App

- Open the App Store (iPhone) or Google Play Store (Android)
- Search for "Spark Driver" in the search bar
- Look for the official app with the Walmart Spark logo
- Tap "Download" or "Install" to get the app
- Wait for the installation to complete
- Once installed, tap "Open" to launch the app

Step 2: Create Your Account

- Open the Spark Driver app
- Tap on "Sign Up" or "Get Started"
- Enter your email address (use a valid email you check regularly)
- Create a strong password (at least 8 characters with numbers and symbols)
- Enter your phone number for verification
- Check your email and click the verification link
- IMPORTANT: When asked for your delivery area, enter one of the zip codes provided by GIG ZipFinder

Step 3: Enter Personal Information

- Enter your full legal name EXACTLY as it appears on your ID
- Enter your date of birth
- Enter your Social Security Number (this is required for tax purposes)
- Provide your current residential address
- This information will be used for the background check

Step 4: Upload Required Documents

- Take a clear photo of the FRONT of your driver's license
- Take a clear photo of the BACK of your driver's license
- Take a photo of your vehicle registration
- Take a photo of your auto insurance card (must show coverage dates)
- Take a selfie for identity verification (match it to your ID photo)
- Ensure all photos are clear, well-lit, and all text is readable

Step 5: Vehicle Information

- Enter your vehicle make (e.g., Toyota, Ford)
- Enter your vehicle model (e.g., Camry, F-150)
- Enter the year of your vehicle
- Enter your vehicle color
- Enter your license plate number
- Your vehicle must be in good working condition

Step 6: Background Check & Approval

- Review all your information for accuracy
- Consent to the background check
- The background check typically takes 3-7 business days
- You will receive an email notification when approved
- Check your spam folder if you don't see the email
- Once approved, you can start accepting deliveries!

Pro Tips for Success

✓ Use a business email for your account

✓ Take document photos in good lighting

✓ Double-check all information before submitting

✓ Keep your phone number active for verification codes

✓ Apply during business hours for faster processing
